9th November, 1932.

Dear Sir,

H. I duly received your memorandum of the 21st ultimo respecting the steamer "ABINSE", and in reply I have to say that in view of the fact that this vessel is still laid up, the Committee have further deferred consideration of the case for the present subject to the survey of the starboard screwshaft being carried out before she is again placed in commission.

I shall be glad if you will inform the Owners accordingly, and obtain from them, and forward to this Office, a letter intimating that they will have this done.

You will also be so good as to remind the Owners that the Boiler Survey will require to be held before the steamer is recommissioned.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
LIVERPOOL.
