

S.S. "BIRCHLEAF".

Mr. Baggalley & Mr. Peckham, representing the Owners, Messrs. Lane & Macandrew, called at this office yesterday, and have telephoned this morning requesting to be informed of the result of the docking survey recently held at New York as the vessel is now in this Country.

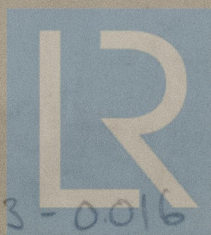

The Owners desire that this Society will cable to the New York Surveyors requesting them to cable the result of the sighting of hull and machinery carried out under their survey.

A letter will follow from the Owners confirming this request.

It is submitted the New York Surveyors be cabled as desired.
