

Im 10 12

COPY.

2nd June, 1921.

Dear Hannaford,

May I trouble you again? I have been asked about a Steam Trawler "T.19" built by Cochrane & Sons of Selby in 1917 to the order of the Admiralty.

Since completion our people have no trace of her: perhaps you can say whether the vessel has been sunk.

With kind regards,

Yours very truly,

C. Hannaford, Esq., R.C.N.C.
