6th January, 1932.

Dear Sir,

With reference to your letter of the 21st ultimo respecting the account rendered to Messrs. Constants (South Wales) Ltd. at Cardiff for the fees and expenses in respect of the survey held by you on the steamer "ERMOUPOLIS", I have to inform you that a cheque for £23.2.6. has now been received at this Office from Messrs. Constants in settlement, and this amount has accordingly been placed to the credit of your port, which you will be good enough to note.

At the same time I may say with regard to the official receipt which you have forwarded that as the amount was not received by you, you should not have issued this receipt, and you will be good enough to be guided accordingly in future similar cases.

In this instance, however, your receipt has been forwarded to Messrs. Constants, and the payment should of course be put through your debit and cash books in the usual way.

G.T.B. Scullard, Esq.,

LISBON.

I am, Dear Sir,

Yours faithfully,

Lloyd's Register  
Foundation  
pro Secretary.
