5th January, 1932.

Dear Sirs,

With reference to the classification in the Society's Register Book of the steamer "ERMOPOLIS", for which vessel it was understood from the Cardiff Surveyors in August last you are the Agents, I beg to acquaint you that the Committee have had before them to-day, a report received from the Society's Surveyor at Lisbon, from which it appears that the vessel has been examined in dry dock after grounding.

No repairs were effected as it was understood that the vessel was to be sold, and in the circumstances I shall be glad if you will be good enough to ascertain from the Owner and let me know his intentions regarding this vessel's classification.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
