Dear Sir,

CLASSIFICATION OF VESSELS LAID UP

With reference to the list of vessels laid up under an undertaking, I beg to acquaint you that the Sub-Committee of Classification have had before them to-day a request from the Owners of the steamer "ESSEX ARDREY" (No. 25609 in Register Book) that she may be allowed to be towed to Germany for breaking up, and that this request has been agreed to subject to a satisfactory examination, in accordance with approved instructions, being made of the vessel by the Society's Surveyors before she proceeds to sea.

A notation to this effect is accordingly being made at the foot of the list in this office of vessels laid up under an undertaking.

I am, Dear Sir,
Yours faithfully,

Clerk to the
