15th January, 1934

Dear Sirs,

With reference to correspondence which has passed between us relative to the steamer "ESSEX ABBEY", I beg to acquaint you that a communication has been received from the Society's Surveyors at Falmouth stating that the vessel is still laid up.

As you are no doubt aware the 2nd Special Survey No. 3 of this vessel is now two years overdue, and in the circumstances the Committee consider that the vessel should be generally examined with a view to the Surveyors reporting on her condition.

I shall therefore be glad to learn that you will make arrangements for this to be done.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

Messrs. Meldrum & Swinson,
