2nd Special Survey No.3 due 4,29.

Action in this case was deferred for a short
 time on the 4th ultimo, as the Owners stated the vessel was at sea,
 but that they would keep the matter of the above survey before
 them and would advise this Office later as to when they proposed
 to have the inspection carried out.

The Newcastle Surveyors now write they are
 informed by the Owners that they have this survey under
 consideration and hope to be able to arrange for it to be
 carried out on the expiration of the present charter in two
 or three months' time.
