Enclosures.

18th May, 1932.

Dear Sir,

With reference to the classification in the Society's Register Book of the steamer "BONUS", I beg to remind you that the Second Special Survey No.2 became due on this vessel in April 1931, but has not yet been completed. The Boiler Survey became due in June 1931.

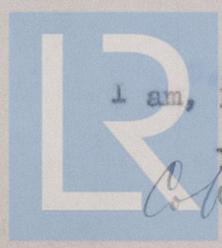

The Committee have had the case before them to-day together with a letter from the Society's Surveyor at Bergen from which it appears that this vessel is still laid up, and in all the circumstances and in view of the fact that the year of grace allowed for the Special Survey has expired, the Committee will be agreeable to the vessel's class in the Register Book remaining undisturbed for the present, whilst she is laid up, subject to the conditions set forth on the enclosed form of undertaking, which I shall be glad if you will kindly sign and return to this Office.

A duplicate copy of this form is also enclosed for your files.

G. Paus Knudsen, Esq.,
 Torvalm, 10,
 BERGEN.

I am, Dear Sir,

Yours faithfully,
Robert H. ...
