8th March, 1932.

Dear Sir,

With reference to my letter of the 27th October last relative to the steamer "BONUS", I have to acquaint you I am informed by the Society's Surveyors at Kobe that this vessel is still laid up at that port. In the circumstances the Committee, who had the case before them at their meeting to-day, have deferred consideration of the same for the present subject to the Boiler Survey being carried out before she is again placed in commission.

I shall be glad if you will inform the Owners accordingly.

I am, Dear Sir,

Yours faithfully,
