Survey Due 2nd Special Survey No.2 due 4,31 (partly held).
Boiler Survey due 6,31.

A proposal to complete the above Special Survey sometime within the year of grace has been agreed to.

In the middle of October the Bergen Surveyor stated he had been informed by the Owners that this vessel was laid up at Kobe for sale and that, in the circumstances, they did not wish to submit the boilers to survey before a sale had definitely taken place. The Committee accordingly deferred action in the matter for a time.

In reply to enquiry the Kobe Surveyors now state that the vessel is still laid up at that port.

Committee's Minute TUE. 8 MAR 1932 *Submit action to be referred.*

Decision *Deferred!*
