No.

22237

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(\*The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement. Extract from Sub-Committee's Report, 24/5/02.)

Name of Survey

Grounding & repairs rudder

It is submitted that, before this case receives the consideration of the Committee, the Hull Surveyors should be requested to forward a rough sketch, shewing the position and direction of the flaws in the rudder as reported by them.
