22nd April, 1921.

Dear Sirs,

With reference to my letter of yesterday's date respecting the ex-German Steamer "ANGERMANALEVEN", I shall be glad if you will be good enough to state the midship thickness of the poop and upper deck stringers and plating, the thickness of the hatch coamings and the number of watertight bulkheads between the fore peak and boiler room.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

CARDIFF.
