# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

5th March, 1934.

Dear Sir,

With reference to previous correspondence relative to the steamer "ANSELMA DE LARRINAGA", I have to acquaint you I am in receipt of a communication from the Falmouth Surveyors from which it appears that this vessel is still laid up.

As over three years have elapsed since the 2nd Special Survey No.1 became due and the vessel is still laid up indefinitely, the Committee consider that she should be submitted to a general examination in order to entitle her to retain her class in the Register Book.

I shall be glad if you will advise the Owners to this effect and ascertain and let me know what steps they propose taking in the matter.

I am, Dear Sir,

The Secretary,

Yours faithfully,

LIVERPOOL.
