LOYD'S REGISTER  
LONDON  
21 MAY 1914

The Secretary,

London,

Sir,

With reference to the 1st Entry Report No.26112 on the new steamer "MOORISH PRINCE" forwarded on the 18th instant, I beg to state that the Builders inform me that owing to the links of the cable supplied to the vessel being longer than usual, a difficulty has been experienced in lifting it.

A new set of cables, the particulars of which are given on the enclosed form, has been examined by me and despatched to the vessel at Stockton today.

I shall be obliged if you could make the necessary alteration on the report.

I am, Sir,

Your obedient Servant,

*J. S. Pearson*
