8th June 1909.

Gentlemen,

With reference to the skeleton particulars in the Register Book supplement regarding the steamer "CARDIFF CITY" (No.76), I have to acquaint you that it appears the ownership of the vessel has been registered in the names of Edward England and Richard Tranel England of West Dock, Cardiff, and William Young of Rotunda Buildings, Cardiff, all described as merchants.

As it is not clear what entry of ownership should be made in the Register Book in this case, I shall be glad if you will ascertain and let me know whether the above three names should be entered as the owners, or the name of their firm if they are in partnership.

I am, Gentlemen,

Your obedient Servant,

The Surveyors,

CARDIFF.
