

M.S. "BRITISH SPARK".

M.S. "BRITISH TORCH".

Inquiry has been made of Mr. Barker, of the Anglo-Saxon Petroleum Co., regarding the Continuous Survey of the Oil Engines of these vessels. He states that these vessels are laid up, and have merely been examined in drydock and continue to be laid up. When it is intended they should resume running they will be submitted for a thorough overhaul.

*Further action be
deferred. JH 1/8/34*
