ENCLOSURE.

22nd April, 1909.

Sir,

I am in receipt of your letter of the 21st instant and telegram of today relative to the case of the new steamer "EUGENE GROSOS". I may say that the machinery report on this vessel only came to hand from Havre on the 20th instant, the survey not having been completed until the 17th instant.

I have the pleasure, however, to enclose the certificate of classification of the hull herewith, and have to add that the certificate on the machinery has been sent to the Society's Surveyors at Havre to be handed over upon payment of the fees.

I am, Sir,

Your obedient servant,

Secretary

F.C. Morel Esq.,

DUNKIRK.
