LONDON

28th November 1925.

The Secy.,
London.

Dear Sir:-

I got in touch with Mr. Fleishel yesterday but he was unable to give me any definite information as to the intention of the buyer in respect to the Schooner "COMMACK"

He was under the impression that the buyer intended to convert the hull into a barge to be towed in the coastwise trade.

I am, Dear Sir,

Yours faithfully,

Hugh Boyle

No plans of barge
