Survey Due Boiler Survey due 6,31.

Action in regard to the above survey was deferred by the Committee at the beginning of August in view of the Owners' intimation that the vessel was laid up at Singapore and that they desired to postpone the inspection until such time as she was due to be re-employed.

The Owners now write:-

"We now beg to advise you that the above vessel has been sold for breaking up purposes with delivery at Osaka, Japan".

"Our intention is to send the vessel from Singapore as soon as possible with a cargo of fuel oil which she has already on board. It is of the utmost importance that the vessel should leave Singapore the earliest moment and we hope in any case not later than Saturday next the 26th inst."

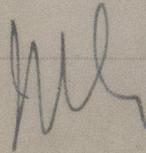

"In these circumstances we naturally do not like to incur the expense of having her boilers surveyed and we
