Dear Sir,

S.S. "PERLAK".

We have received your letter "H" of 29th July with regard to the Special Survey of the Boilers of this vessel which is now due.

The "PERLAK" is at present laid up at Singapore, and there is no early prospect of her being re-employed. In these circumstances we shall be glad if your Committee will be good enough to authorise postponement of the Survey until such time as the vessel is due to be re-employed.

Yours truly,

F.J.F.
