Enclosures

21st August, 1912.

Gentlemen,

I return herewith your report No. 62855 on the donkey boiler intended for the S.S. "SABA", and have to point out that this boiler is not an exact duplicate of that fitted in the sister vessel but differs in minor details.

I shall therefore be glad if you will be so good as to correct the report and return it to this Office in due course.

The plan of the donkey boiler is also enclosed for reference.

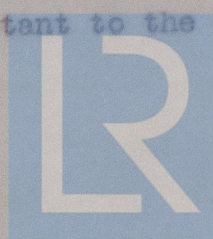

I am, Gentlemen,

Your obedient Servant,

Assistant to the Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
