

Lloyd's Register of Shipping,
Collingwood Buildings, Newcastle-on-Tyne.

31st October 1930.

Dear Sir,

With reference to your letter of 30th inst. regarding the steamer "CASSIS" and the suggestion that Mr. Lewis, the Special Surveyor for Steel at Glasgow, should visit this vessel, I have to suggest that the visit of Mr. Lewis should be deferred until repairs are commenced. Special arrangements would have to be made if a survey were carried out at the present time, as the vessel is laid up at Dunston and there is only a watchman on board.

I was informed by the Owners' Superintendent last week that the question of proceeding with repairs is under consideration, and he will inform me promptly when a decision has been arrived at.

I am, Dear Sir,

Yours faithfully,

T Shaw.

The Secretary,
LONDON.
