

113 JUN 1933

s.s. "DUMFRIES"

This vessel has been laid up at Bideford since July 1932, and the 3rd S.S.No.2 became due in 6,32. ^{of due 5-31} The usual undertaking has been furnished, and the case is fully stated in endorsements dated 2.5.33 and 24.5.33, when in reply to enquiry as to whether the vessel would be allowed to proceed from Bideford to Newport, Mon. to be broken up, the Owners were informed that provided the hull and boiler were generally examined and favourably reported upon, and interim certificate could be issued to enable the vessel to proceed in tow.

A letter has now been received from the Cardiff Surveyors stating that they are informed that the vessel has proceeded to Newport, Mon, to be broken up, and no survey was requested, or held, before she left Appledore.

It is submitted the vessel's class should be expunged with a Red Line indicating non-compliance with the Society's Rules.
