Dear Sirs,

With reference to Cardiff reports Nos. 42466 and 42495 of survey held on the ex-German Steamer "FALKENFELS" now named "TREDENHAM", I have to acquaint you that as this vessel cannot be recommended to the Committee for assignment of classification until the outstanding requirements of classification survey detailed in your reports have been complied with, you should be guided by the instructions contained in my Circular Letter of the 21st October last and prepare and forward to this Office six-monthly condition survey reports on Form 10 both as regards hull and machinery, in order that these may be furnished to the Owners pending completion of survey for classification.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
CARDIFF.

Secretary.
