

Lloyd's Register of British & Foreign Shipping,

Collingwood Buildings, Newcastle-on-Tyne.

18th April 1912

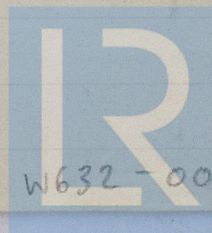

reference

The appended plans of Midships Section, Profile & Deck plans, are at present in the London Office in connection with another submission

A.M.

The plans of No. 191 were sent up only for reference in the case of another ship No. 203, and were returned with letter to date 18/4/12. There was no intimation in the Surveyor's letter that the plans of No. 191 were to be forwarded shortly.
