Dear Sir,

I am duly in receipt of your letter of the 31st. insto, respecting the case of the steamer "QUEEN LOUISE", and in regard thereto I have to acquaint you that the Committee, who have had the subject before them today, note that the Owners' Superintendent will endeavour to arrange for the Boiler Survey to be carried out at the vessel's discharging port in the United States, and that if this is not done, it will be attended to on her return.

In the circumstances action in the matter has been deferred for the present.

I am, Dear Sir,

Yours faithfully,

Secretary.

Secretary,

GLASGOW.
