vey due

Special Survey - equal to a Half-Time Survey -
due 1,23.

In June last the Committee deferred action in this case on the understanding that the above survey would take place immediately the special survey which was being carried out on the tug "ALLENBY" was completed.

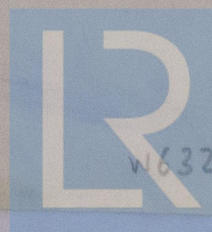

On the 27th July the Hull Surveyors wrote they were informed by the Owners that the vessel was laid up and that they anticipated selling her, but that they could give no definite information then. In the circumstances the Committee deferred consideration of the case for a short time.

In reply to enquiry the Hull Surveyors write this vessel is now laid up indefinitely and that the Superintendent informs them that the above survey will be carried out before she is again sent on her towing duties. The Surveyors add the Owners state they do not anticipate selling the vessel.

Submitted the Owners be requested to furnish the usual undertaking.
