due Special Survey (equal to a Half-Time Survey)  
due 1,23.

On the 24th April the Committee agreed to the above  
way being postponed until the vessel was next placed on a  
way at high tide, which it was stated would be in two weeks'

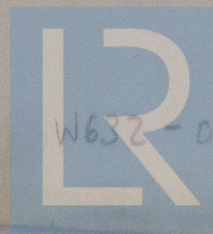

On the 19th ultimo the Hull Surveyors wrote they were  
informed by the Owners that at the first available opportunity  
vessel would be placed on the New Holland Slipway, and that it  
was anticipated this would be in about 10 days' time. In the  
circumstances the Committee agreed to this arrangement.

The Hull Surveyors now state the special survey on the  
"SIMS" will be held as soon as the special survey on the tug
