Your Ref:ID/IE.
Enclosure.

29th September, 1933.

Dear Sirs,

S. With reference to your letter of the 21st instant, respecting the fee of £5. 5. 0 charged for the examination of the machinery of your steamer "STAR OF ALEXANDRIA" at Liverpool, I have to say that the remarks which you offered in this case have been carefully considered, and I have been in communication with the Society's Surveyors at Liverpool on the subject.

It would appear that in this case some overcharge was made in respect of the machinery survey, and I must thank you for bringing this question to my notice.

It has now been decided to reduce this fee to £2, which is an equivalent amount to that charged in other similar cases which you mention, and I accordingly have pleasure in handing you herewith a cheque for £3. 5. 0, the amount of the refund, for which I shall be glad to have your acknowledgment in due course.

I am, Dear Sirs,
Yours faithfully,
