S.S. "STAR OF ALEXANDRIA".  
-----

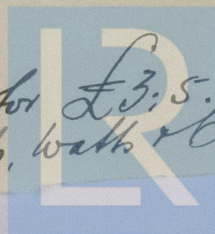

This case is stated in endorsement dated 25th instant.

The Liverpool Surveyors now agree that the fee charged the for/machinery survey is excessive, accepting the suggestion that it be reduced to £2 and they desire to know if the refund of £3. 5. 0. to the Owners should be made from the petty cash at Liverpool.

IT IS SUBMITTED that the Liverpool Surveyors be informed that as the vessel is owned in this City, a cheque will be sent from Head Office and the amount debited to the Liverpool account.
