Dear Sirs,

I have to confirm my telegram to you today, respecting the steamer "CONCORDIA", as follows:-

"Steamer CONCORDIA at request of Builders  
"you are at liberty to enter on classification  
"certificates net tonnage as obtained from  
"official sources".

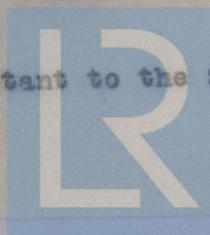

I should explain that the net tonnage not having been given on your first entry report was omitted from the first entry certificate, and the Builders at Chepstow stated on the telephone yesterday afternoon that the Owners were anxious to have the figure inserted on the certificate, and they asked permission to put it in.

In the circumstances they were informed that in this special case you would be authorised to insert the net tonnage on the certificate and I shall be glad to learn that this has been done. In your reply you should state what is the correct figure.

I am, Dear Sirs,  
Yours faithfully,

The Surveyors,  
NEWPORT, Mon.

Assistant to the Secretary.
