20th October, 1932.

Dear Sirs,

With reference to the entry in the List of Limitation Surveyors relative to the steamer "VIRGINIA MAVROLEON", and to the Boiler Survey which became due last June on this vessel, I have to acquaint you that this vessel has been laid up at Syra, and the Committee have now agreed to her proceeding without further survey from that port to Genoa to be broken up.

In the circumstances I shall be glad if you will give the case attention in due course and advise me immediately the work of demolition has been commenced.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

GENOA.
