19th October, 1932.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 18th instant relative to the steamer "VIRGINIA MAVROLEON", and in reply I have to say that the Committee will be agreeable to this vessel proceeding from Syra to an Italian port provided the Society's Surveyors at Piræus are satisfied that the bow plating is efficient and are also satisfied with the vessel's condition for the contemplated voyage.

It is noted that the steamer will probably leave Syra this week for delivery at an Italian port to be broken up.

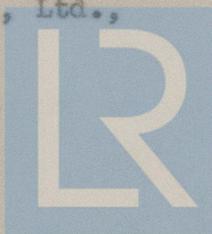

I have to add that I am today cabling to the Society's Surveyors at Piræus in the matter.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
