QUESTION.

ANSWER.

With reference to your wreck return in which you state that the above trawler is reported to be a total loss, I have to inform that in the shipping papers she is reported to have been totally wrecked on the North coast of Iceland on 20th December.

A casualty notice was sent to the Owners (Messrs. Oddsson & Co. Ltd., of Hull) on the 5th instant, but no reply has yet been received. I shall therefore be glad if you will be good enough to ascertain from them and let me know, for the information of the Committee, if the trawler has been abandoned as a total loss or not. All concerned.

Owners state they have made application but the Underwriters have not as yet advised acceptance of this vessel as a constructive total loss. Owners promise to advise as soon as they receive further information when we will again communicate with you.
