Lloyd's Register of Shipping.

Port of Rotterdam.

2nd Nov. 1931.

This is to Certify that I have

Surveyed the Dutch steel screw steamer "ALMKERK", 7062 tons gross, whilst lying afloat in the Waalhaven at this Port, for general examination.

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and that I have **Recommended** that she be continued as classed for a voyage to an Italian port via a port in the U.K. with cargo, where it is reported that she will be broken up upon the understanding that she leaves this Port by the fifteenth of this month.

XXXXXXXXXXXXXXXXXXXXX being fit to carry

W. W. W.

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
