Dear Sirs,

STEAM TRAWLER "IDA ADAMS"

We are obliged for your letter of the 12th instant, bring to our notice that the Second Special Survey No.1 for the above vessel, is due this year.

On account of the many big repairs which have been carried out during last year's fit-out, such as:-

Air and Circulating Pump Chambers renewed.  
Boiler Blain Tubes.  
Deck in way of casings.  
Fishroom linings.  
New electrical installation. etc.

We beg respectfully to ask you to grant us an extension until the fit-out of this vessel about May or June, 1931, giving your Surveyor's every facility this year, when this vessel has her fit-out in another month or so, to make their usual yearly inspection.

Awaiting your earliest reply.

Yours faithfully,
