Reference

F

Sir
With reference to your letter of the 11th instant regarding the 1st entry report N^o 66025 on the machinery of the S.S. "Michael", the heating surface of 5067 sq. feet is correct, 2 tubes have been kept out of each boiler for convenience. If you will kindly return the boiler plan I will correct it.

I am

Sir

The Secretary
London

Your obedient servant
Charles Cooper
