Dear Sirs,

With reference to your memorandum of the 4th instant respecting the steamer "NORDICO", I have to acquaint you that this case has again received the consideration of the Committee and that action has been deferred for the present subject to the Boiler Survey being carried out before the vessel is again placed in commission. The Committee are also agreeable to the survey of the starboard screwshaft being postponed for the present. I shall be glad if you will inform the Owners accordingly.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
