8th August, 1930.

Dear Sirs,

I am in receipt of your letter of the 31st ultimo intimating that you have been informed by the Owners of the steamer "NORDICO" that this vessel is laid up at Genoa and that the Boiler Survey will be carried out before she is again placed in commission. In reply I have to say that in the circumstances the Committee, who had the case before them at their meeting today, are agreeable to the survey in question being postponed for the present. I shall be glad if you will inform the Owners accordingly.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

GENOA.
