Survey Due

2nd Special Survey No.2 due 4.31.

The Owners state that this vessel was drydocked in the Tyne in March last, and that during her next drydocking, which they expect will take place in the United Kingdom in September, the above survey will be carried out.

N.B. In March last the Newcastle Surveyors recommended that some damaged bottom plating on the starboard side forward should be repaired, and the wood sheathing of the shelter deck dealt with on the vessel's return.
