## CERTIFICATE OF ADJUSTMENT OF COMPASSES.

KELVIN &amp; JAMES WHITE LTD

TRADE MARK

CONTRACTORS TO  
H.M. GOVERNMENT.

Nautical Instrument Makers.

SOLE MAKERS OF LORD KELVIN'S (SIR WM THOMSON) PATENT COMPASSES & SOUNDING MACHINES.  
16 18 and 20 Cambridge Street, GLASGOW.

This is to Certify that the Compasses of the Steel Steamship  
"Roserie" have been adjusted for

Local Magnetic Deviation and are now in perfect order Tables showing  
the effect of such deviation have this day been handed to the Master.

The deviations have been ascertained on the various courses both with  
the dynamo stopped and with it running at full speed with the electric  
current "on" and "off" all circuits in the vicinity of the Compasses.

The deviations so found are practically identical under both conditions  
and are in accordance with the tables furnished this day to the Master.

Dated at Glasgow this 6<sup>th</sup> day of June 1901
