# Lloyd's Register of Shipping,

High Close,

Wokingham, Berks.

14th August, 1940.

Dear Sirs,

Reverting to your letter of the 25th June last respecting the steamer "OOSTPLEIN", I beg to acquaint you that the Committee have now had before them the report of the general examination held on this vessel by the Society's Surveyors at Hull.

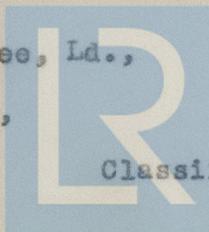

I may say that the examination was of an extensive character as the Surveyors were under the impression that it would ultimately be your wish to have the vessel fully classed with this Society; but as it is now understood that you do not wish to proceed further with classification at present, the Committee have assigned the agreed notation of "Examined, L.R." 7,40, in the Register Book.

Main

I would add that the/Boiler Survey has also been held at this time.

I am, Dear Sirs,  
Yours faithfully,

The Nederland Shipping and  
Trading Committee, Ltd.,  
Baltic House,  
27, Leadenhall Street,  
E.C. 3.
