Dear Sir,

We beg to acquaint you that the Dutch Steamer "OOSTPLEIN" is now carrying out a General Examination and survey for Classification. The Freeboard Certificate of the vessel is enclosed herewith for your perusal.

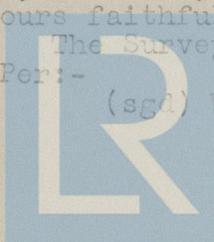

It would appear that this certificate is still up to date, and we shall be glad if you will be good enough to confirm that a Freeboard Survey is not required at this time. We shall be glad if you will be good enough to return the certificate to us at your earliest convenience.
