Dear Sir,

S.S. "OOSTPLEIN"

The above vessel, at present classed with the Germanischer Lloyd, is lying at Hull and we shall be obliged if the general examination which is necessary for her to obtain a record in Lloyds Register, can now be made.

Facilities for access will be afforded by the ship's officers and recommendations should be made to the repairers, Messrs. Brigham & Cowan.

Yours faithfully,

For NETHERLAND SHIPPING & TRADING  
COMMITTEE.
