

Memo re. steamers "FORT HAMILTON" & "FORT VICTORIA".
Nos. 32206 & 32207 respectively. (Supps).

With reference to the report recently received from the Society's Surveyors at New York, I rang up Furness Withy & Co. on the telephone to-day (Mr Carpenters Dept.) and we are informed that Messrs. Furness, Withy & Co. are the owners of both steamers and desire their name recorded as such in the R.B..

Both vessels are registered at Liverpool.
