

COPY FOR LONDON OFFICE.  
Lloyd's Register of Shipping.

Port NEW YORK

May 5th, 1920.

This is to Certify that I have

Surveyed the Boiler and Machinery of the Steel Twin Screw Steamer

"THE VICTORIA" 7784 tons gross register

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction, and that I have

Recommended that the record of S.M.C. 2-20

be made in the Register Book in the case of this vessel. <sup>subject</sup>  
to Water Tube Boilers being surveyed annually and to the Tail Shafts being drawn for examination and measurement.

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy of report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
