8th November, 1927.

Dear Mr. Mackinnon,

S.S. "CRAIGAVON".

I am favoured with your letter of the 7th instant, and in reply I have pleasure in stating for your information that the Special Survey No.1 of this vessel was completed on the 21st October at Belfast, and the records of S.S.No.1-25 and \pm LMC 7.26 were assigned by the Classing Committee on the 1st instant and would now have appeared in the posting of the Register Book but for the fact that the fee due in respect of these surveys has not yet been paid.

I have communicated with the Belfast Surveyors to obtain payment of the fee in order that certificates may be issued.

Yours faithfully,

P. G. Mackinnon, Esq.,
Lloyd's,
Royal Exchange,
E.C.3.

P.S. I have just received a wire from Belfast stating that the fees have been paid. so that the case is now in order.
