29th June, 1931.

Dear Sir,

With reference to the survey which became due last February on the boilers of the steamer "CAMBRIAN COUNTESS" I have to acquaint you I am informed by the Society's Surveyors at Newcastle that this vessel is reported in the Local Press to have proceeded on the 23rd instant to Boness, and in reply to enquiry they have been advised that she has been sold for breaking up.

In the circumstances I shall be glad if you will give the case attention and let me know in due course the name and address of the purchasers. You will also be so good as to let me know immediately the work of demolition has been commenced.

I am, Dear Sir,

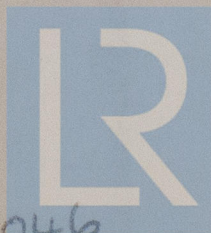

Yours faithfully,

The Secretary.

GLASGOW.
