ENCLOSURE.

25th June, 1930.

Dear Mr. Davies,

With reference to your letter of the 17th instant respecting the steamer "CAMBRIAN COUNTESS" I have consulted the Surveyors upstairs and am informed that if 30 fathoms of cable Cert. 31697 A or B are verified with the certificates this will put the matter of the equipment in order.

It occurs to me to add that the opinion in this Office is that the verification of the cable might be left over until the vessel next comes under survey.

The enclosed statement in regard to the equipment may be of assistance.

With kind regards,

Yours faithfully,

S.R. Davies, Esq.,

NEWCASTLE-ON-TYNE.
